It has always been my vision to create a company with strong old school principles. A company with an exciting vision delivering the highest standards, strong values and exacting disciplines.

I like to challenge the conventional and reinvent the way we deliver, sustain and create. The company, Balwin Properties, of which I am so proud to be a part has been my vision to be the most exciting and dynamic property developer in South Africa.

When I launched Balwin Properties, the company name was created for a simple reason. To create a brand that every community and people group would live and experience a true culture of excellence in residential properties.
